Marathon Series No. 4 Brunswick Race *story & photos by Bruce*

The NMS race 4 at Brunswick was favoured with a beautiful crisp clear day.

The wind from the west was a little brisk at times but tolerable.

The event was well attended by 140 paddlers and the lion's share of the points were taken by Varsity and Currumbin clubs who had 24 and 39 paddlers respectively.

Vince & Colin ready to race

Stuart Thompson came in second in Unrestricted class on the day to be equal third in the series. Stuart has hit his straps now that he is paddling Unrestricted.

Peter Jacobsen's consistent strong paddling has him a good second overall in the Unrestricted class.

Stuart Tutton is leading Rec1 comfortably and

Chris Mason's second place in Unrestricted has him running comfortably first in the series.

Marion paddled strongly in K1 Mature Vets Women's to have a win by three minutes over second place and had a good race to the finish just behind the Arnold's TK2. Maryanne did well and came in first by three seconds in SSK1 Mature Vets Women's in the twelve kms start. Barb...let down by me not paddling with her in the TK2 because I did not want to get my eye wet paddled the Wizard and got a fourth in K1 Mature Vets Women's. You all waved the flag for FNCCC and did well. Great racing.

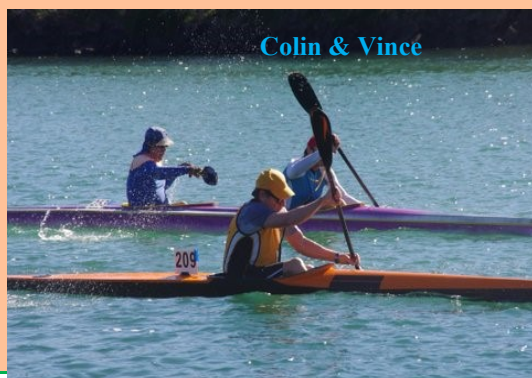

My apologies for the quality of the photos and missing some paddlers. I was having camera problems.

As of the September AGM, Barb and I will be standing down from our respective positions of Secretary and President.

Both of us have been on the Executive committee for the past 10 years and are going to move aside to make way for our replacements while giving them the total support needed for the maintenance and progression of the club.

We would like all members to give serious consideration to nominating for a position at the coming elections at the AGM in September.

Bruce.

Social Event— Boxing Day 26th July

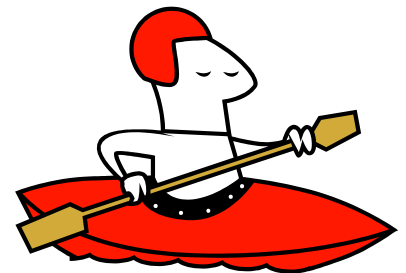

FNCCC is having a social event, **Boxing Day in July**, on 26 July at 6pm. The club will supply meat for a barbecue on the wharf.

Members are asked to bring a plate of food to share, drinks, glasses and a chair. Narina is coordinating the barbecue and you will need to rsvp to her at narina@ycw.com.au so she can purchase the meat for everyone. Phil and Narina will supply cutlery and plates.

Social Event—Recreational Paddle

The next recreational paddle will be held at Ballina on 3 August. Phil and Narina are coordinating this Fish and Chip paddle, so please let them know if you are coming and find out the finer details for the day. Call Narina on 042007839

Happy Paddling and hope you can make it to these events...we always have a good time

Just a follow up reminder to those of you that are intending to renew that if you have not already done so now is the time and preferably by month end.

Don't forget to join Paddle NSW first and you do so on line. The website is better this year but if you do have difficulty please get back to me and I will assist.

I really want all renewals done by month end.

Thanks for your cooperation. Bruce

FNCCC Minutes of Meeting

1 July 2014

Meeting opened: 7 pm

Present: Bruce Taylor, Barbara Davies, Narina Donnelly, Phillip Rowe, Jenny Thompson, Martin Smith

Apologies: Chris and Robyn Allen

Minutes of the Previous Meeting: Bruce proposed and Barbara seconded the motion that the minutes of the May meeting be accepted as a true and accurate record of the meeting with an amendment of the Treasurer's Report to read Total Funds = \$37, 562.27, not \$37,561.86.

Business Arising:

- Bruce advised that Martin's name and contact details have been added to the outside shed wall.
- Bruce now has a key from the Council so we can access the storage area above the shed to store items especially in flood times.
- Bruce advised that the Council has agreed to swap the locks on the safety doors so that club keys will fit the back safety door near the kitchen. This will allow easy access in rising flood waters.
